EDUCATION

Bachelor of Science in Mathematic Option Teaching
UTeach Natural Science Program, Mathematic Certification 7-12
The University of Texas Austin
Overall GPA: 3.5/4.0

In Progress

Experiences

Educational Fieldwork Experience, UTeach Natural Sciences **January 2016-May 2018**

- The following experiences are where I taught three day lessons that are conducted through classes from the Uteach Program. These lessons were executed throughout each semester.
 - Covington Middle School, 7th grade math **Spring 2016**
 - Crockett High School, Geometry **Spring 2017**
 - Stephan F. Austin High School, Pre-AP Algebra 2 **Spring 2018**

Apprentice Teaching, Round Rock High School **January 2019-Present**

- Apprentice teacher two Pre-AP Algebra 2 classes. My responsibilities includes preparation, execution of lessons and the full responsibility of both classes.

Internship, MathHappens **September 2018-Present**

- This internship required me to design and build mathematical tools, with a laser cutter, to help present math in an informal way. MathHappens goes out to museums, libraries, and parks demoing how mathematical concepts such as, Golden Ratio, tree measurement, and Veronelli patterns.

Teaching Assistant/Tutor, Austin High School **January 2018- Dec 2018**

- Internship at Stephen F. Austin High School in which the duties included assisting mathematics teachers in tutoring students before school, preparing students to take the Algebra I STAAR test, and assisting with the classroom when possible.

Teaching Assistant/Instructor, Uteach Outreach PREP Summer Camp **Summer 2017 & 2018**

- Internship for Outreach PREP Summer camp as teaching assistant and instructor, designing material content for the camp with fellow team members, assistant in the classroom, and leading lessons when instructor was out for the Logic team.

LEADERSHIP AND ACTIVITIES

University of Texas Chinese Student Association (CSA), Cultural Chair
Math and Science Teachers of Tomorrow (MASTI), Volunteer Coordinator

August 2016-Spring 2017
August 2017- Spring 2018

Skills

Mathematical Tutoring Experience
Proficient in Microsoft Word, Excel, PowerPoint
